CAREER OBJECTIVE

Motivated Computer student with a strong interest in Frontend Development. Skilled in building responsive and user-friendly web applications using modern web technologies, with strong problem-solving and communication abilities. Eager to apply technical knowledge to real-world projects, gain hands-on industry experience, and contribute to a professional development team through an internship opportunity

EDUCATION

BSc (Hons) Computing (2024 – 2027)

Itahari International College | London Metropolitan University | Sundarharaicha-4 Dulari, Morang

PROJECTS

SecondHome - Smart Digital Hostel Management System. (April 2025 – March 2026)

- Developed a hostel management web application for room allocation, payment tracking, resident communication, and maintenance management.
- Built responsive and reusable UI components using React.js and Tailwind CSS, ensuring compatibility across desktop and mobile devices.
- Improved administrative workflow efficiency by digitizing manual processes and enhancing data organization and accessibility.

PeerLearn – Academic Discussion Platform (Jan 2026 – May 2026)

- Developed a full-stack academic discussion platform for posting questions, sharing learning materials, and collaborative learning.
- Implemented secure user authentication, role-based access control, and CRUD operations using Java and MySQL.
- Designed responsive user and admin dashboards for content management and user moderation.
- Applied MVC architecture, DAO pattern, and database normalization to ensure scalability and maintainability.

SKILLS

Frontend: React.js, HTML5, CSS3, JavaScript

Languages: HTML5, CSS3, JavaScript

DevOps: Git, GitHub

Core Skills: Effective Communication, Team Collaboration, Adaptability, Time Management

CERTIFICATION

Java Object-Oriented Programming (OOP)
